

## Application Note 313

Revised April 2020

### Drogue SATIS

Application Note to anchor SATIS drogue to the drifter. SATIS drogue was designed to provide a strong seize of your Nomad drifter to the water. It will suffice for most of your research needs.

#### Parts:

#### Assembly instructions :

1. The different parts of the anchor are shipped assembled.
2. Attach the polyester rope to the shackle at the drogue attachment eye of the drifter.
